[YahZarah:]

buried me up to my neck in your love
you are the dream I've had for so long
I've tried to hold back from my feelings before
thought you could just running out to score
you hold me in your arms and
all disappears but you and I, I, I
to start shining in our universe
that's built on love alone, ooh
I know I'll never be alone 'cause

[Chorus:]

I don't believe in fairytales or the perfect one
more than a friend
yet something greater than lovers
much, much more than a passing phase
a masquerade
'cause I wanna spend all my days with you
spend all my days with you, baby

[Darien:]

lovin' when I'm coming home from work
you always ask me "How's your day?"
I love you for lovin' the man that I am
you don't even try to change (me)
most of all, I love you for lovin' me
when I had nothing to give in return
darling, you are the best thing for me
your love has changed me and it's open my eyes

[Yahz:] oo-oooh, ooooh, oo-oooh

[Darien:] no longer scared

my feelings I can't describe in my heart

[Yahz:] love

[Darien:] and desire

[Yahz:] and desire

a burning quiet fire in my heart

now that love's

[Darien:] love's

[Yahz:] taking control

[Darien:] control

[Yahz:] of

[Both:] everything

[Chorus x2 w/ ad-libs]

[Darien:] baby
[Yahz:] baby
[Darien:] I wanna spend my
[Both:] days with you
[Darien:] you're my dream come true
ohhh-ohhhh, oh, baby
(more than a passing phase, a masquerade)
(more than a passing phase, a masquerade)
