There is no other to compare to you
You've got me blinded, givin' all all that I have to you
You showed me feelin's that I'd never find
But those feelin's ain't complete when you're not here
all the time

Oh baby love, early in the morning
You come creapin' in my mind, oh baby love
Oh baby love, I wake up with a yearning
Ready for your touch, oh baby love

Give me reasons to be a fool for you
But I don't care about foolish pride
When it's concerned to you
I'll be a slave, yes I will
Give me your command
You can order me to stay arround you all that I can

Oh baby love, early in the morning (early in the
morning, yeah)
You come creapin' in my mind, oh baby love (oh baby
love)
Oh baby love, baby, I wake up with a yearning
Ready for your touch, I'm burning
Ready for your touch, I'm burning
Ready for your touch, oh baby love
All I do is think about you baby love
All I do is think about you baby love, oh
I want your love, I need your love, I want your love
Come on

[Guitar solo]

There is no other to compare to you
You've got me blinded, blinded, blinded
Giving all all that I have to you
Feelin's, feelin's I'd never find
