(YahZarah/Sol Messiah)
oh yeah, ooh yeah, mmm
standing here in this place
in search for love to fill this space
loving touch that it inspires grace
I need you now reveal your face
a need of love can't find a trace
heading pain with this smiling face
I pace the floor and shut the door
hurt can't take it anymore
I keep trying but I'm not finding strength
so I will cry, tomorrow I will cry
tomorrow I will cry, tomorrow I will cry
pour out my soul to these empty hands
tomorrow I will cry, tomorrow I will cry
chasing shadows in the dark
but I'll forget my broken heart
I'll forget that I am needing love (yes)
you stood, you can't be here again
so I guess I'm still living
hoping that I'll just survive until
love can be lost, I still believe
that I was wait and find
I've gone through all the things that I elieve in
but for now I will cry, tomorrow I will cry
tomorrow I will cry, tomorrow I will cry
pour out my soul (no matter)
to these empty hands (how long it takes)
tomorrow I will cry, tomorrow I will cry
tomorrow I will cry (no matter)
tomorrow I will cry (how long it takes)
tomorrow I will cry (I know I'm healed)
tomorrow I will cry (from this heartbreak)
pour out my soul (today I'll cry)
to these empty hands (today I'll cry)
tomorrow I will cry, tomorrow I will cry
no matter how long it takes
I'm healed from this heartbreak
no matter how long it takes
I'm gonna let myself cry, yeahh, yeahhhh
oh ohhh yeah, oh ohh-ooh yeah

ohh yeahh, yeahh, yeahhh, yeahhh
no matter how long it takes, long it takes
yeahh, yeahh, yeah-eahhh, yeah-eahhh
no matter how long it takes
I'm healing from this heartbreak, yeah
won't let it get me down
but I'll cry just today, I'll cry, oh
(ohhh, oh, oh yeah)
