What can I say that hasn't already been said  
The cold spot in my bed  
Already tells a story about it clear  
Feels like my heart (on a merry-go-round)  
Loving and loving and leaving all over again  
Not even sure if I can't pretend  
That I've got my self-respect, what's left of it, he-ey

I learned to rely on my instinct to guide me  
But I'm not as cold as I thought, oh  
Try to deny all those feelings inside me  
I'm sorry I still have a heart, oh

Ooooh, ooh, ooh, so there you are and here I am  
One woman and one man laying here, trying to  
understand  
How can love grow or have truths and rendezvous',  
yeahh  
If she found out about us two, that be so much to lose  
So I would play the substitute, so you won't have to  
choose  
I hate you now trying to leave and we make love and  
hardly in denial  
That you leave her and it's sweeter than the truth  
I learned...

I learned to rely on my instinct to guide me  
But I'm not as cold as I thought, oh (Ohhhh)  
(But I'm not a co-o-o-o-old as I thought)  
Try to deny (yeahh) all those feelings inside me (I  
learned to rely)  
I'm sorry I still (But I'm sorry I have a) have a heart  
(Sorry I have a),  
Oh (Sorry I have a heart)  
I learned to rely (oh, oh, ohhh) on my instinct to guide  
me (Ohh yeahh)  
But I'm not as cold (But I'm not as cold) as I thought, oh  
(Cold as I thought)  
Try to deny (yeahhh) all those feelings inside me

(Ooooh, ooooh...)

I'm sorry I still (Sorry I have) have a heart, oh (Ooh, I still have)

[guitar solo]

Ohhh, ohhhh... ohh ahh

I didn't mean to love you, baby, heh-eh

And would it make you go crazy, he-ehhh ahh

And you know I need you, baby, ooo-oo-oo-ooooh

Ooo-oo-oo-oooooh ehhh babe, he-ey aahhh ohhhh

aahh

Oh hey, hey yea-ea-ea-ee-ee-ee-ee-ee.. yeahh, ahh

Out of condition, out the spot stains from my drawer

Oh baby, oh baby
