[Intro]

You don't know it's a dream
You don't know if it's real life...

[Verse One]

You don't know it's a dream
You don't know if it's real life
That's what it feels like
To you
You don't know that it feels right
That's when you realize
It's true

[Chorus: YahZarah]

Out of touch, wasting time
My heart (ooh if this is love)
Everything I thought I knew, I lost in you
You're turning me around (oooh if this is love)

[Verse Two]

You don't wonder why
You just know to believe me
'Cause I make it easy
To choose
I don't question love
I just go where you lead me
Love is so easy
To lose

[Chorus]

{*instrumental interlude*}

[Verse Three]

Eyay, eyay, eyay
Eyay - love, eyay, eyay
Eyay - love, eyay, eyay
Eyay - love, eyay, eyay - it's love
