We made a vow to write us out
So what is there to figure out
Baby, do we need to talk about it?
Don't let pride push us apart, mm
We didn't even come to this
Us not knowing how to talk
Baby, you should know you're the love of my life

Mm, and I want you to hold me
And tell me you'll be the last to leave and to stay with
me
And we'll work it out, without a doubt
That's all I'm asking of you
Oh-oh-oh, show me
And tell me, baby, you'll never leave and to stay with
me
Without a doubt, we'll work it out
That's all I want to hear from you, ooh, ooh, ooh
Oooooh, oooooh, oooooh
Oo-oo-oooh, oo-oo-oooh, oh-oh-oh, oh-oh-oh, ooooooh
Oooooooooohh, oooooh

I swear it never, ever crossed my mind
To build this home with someone else
There's only you and I together, remember
We were so happy back then, ohh
There's only once in a lifetime
That they got a love like yours and mine
And now you wanna go and change your mind
I don't want our story to end

Oh-oh-oh, hold me (No, no, no)
And tell me (Tell me, baby) you'll be the last to leave
and to stay with me
And we'll work it out (Oh, we'll work it out) without a
doubt (Baby, mm)
That's all I'm asking of you, oooooh, ohhh
Oh-oh-oh, show me (Show me)
And tell me, baby, you'll never leave and to stay with

me
Without a doubt, without a doubt, we'll work it out
That's all I want to hear from [From you]

No one said that love would be easy, mm
But living it seems to be so hard
When could we forget to communicate?
I given you all of my heart

Oh-oh-oh, hold me, oo-oooh
And tell me (tell me, baby) you'll be (oh, you'll be) the
last to leave
And to stay with me
And we'll work it out, we'll work it out
Without a doubt, without a doubt
That's all I'm asking, ohhhh, ohhh, ahh
Oh-oh-oh, show me, yeahh-eee
And tell me, baby, you'll never leave and to stay with
me
Without a doubt, without a doubt, without a doubt, mm
That's all I want, I want, I want [From you], ohhh, ohhh
Ohhh, ohhh, ohhh, oohhhh, ooohhh, ooh
From you-ou, oooh, mm-mm-mmm
You got to be kidding if you think that I'm willing to give
up
All those things that we started, aahh, aahhh, oooh
No, no, no, no..
That's all I want to hear...
