I never thought that I would love again  
'cuz it escaped me for so long  
but I could never learn to live again  
so glad you came and prove me wrong  
[Chorus:]  
darkness falls into the night  
but every day's new morning light  
it's another chance to give yourself away  
lovin' you's a very essence  
of being in the arms of heaven  
I'm calling out, love, come save the day  
some days it rains so hard, I couldn't see  
my dreams seem so far out of reach  
yeahhh, ah  
a lonely forest goes so full of trees, ooh  
then love came in and rescued me  
[Chorus]  
here comes the sun  
here comes the sun  
here comes the sun  
here comes the sun  
here comes the sun  
here comes the sun  
here comes the sun  
[horn solo]  
[repeat 1st verse]  
[Chorus w/ ad-libs]  
here comes the sun  
here comes the sun  
here comes the sun [hey!]  
here comes the sun [I just wanna thank you, baby]  
here comes the sun [I just wanna thank you, baby]  
here comes the sun [I just wanna thank you, baby]  
here comes the sun [I just wanna thank you, baby]  
oh, save, save the day  
oh, save, save, save the day  
oh, save, save-- the day, yeahh
