hello? it's time? yeah, I remember  
10:30, on the rooftop  
you still diggin' me? yeah, like a grave  
gotta leave in a hurry  
gotta pack my bags  
gotta call my mama and tell her  
that I won't be back  
see, baby had to pull a caper  
see, he had to make that paper  
so we gotta head for the border  
break out and be gone before sundown  
he told me

[Chorus:]

meet me on the rooftop at about 10:30  
be there in a hurry, prepare to make a run  
'cuz I'm diggin' you like a grave  
diggin' you like a grave  
meet me on the rooftop  
at about 10:30, be there in a hurry  
prepare to get loved  
'cuz I'm diggin' you like a grave, uh, uh  
he moved three months ago  
when I left the band  
didn't have no money, no record deal  
but baby got a plan  
so he slept all day, stayed out all night  
the green didn't sell, so he switch to white  
so when I got a call at 2:30,  
the shit didn't shock me at all  
that's right, he said

[Chorus]

Romeo and Juliet, Alexander and Cleopatra  
never knew love like this, we keep it tight  
while we livin' that thug life  
not afraid to make a run for you  
pack a clip and bust around for you  
they catch up, be sure I'm gonna wait for you  
that's right, don't wanna lose you  
so I'm gonna be there like you told me to

[Chorus]

meet me on the rooftop  
at about 10:30, be there in a hurry  
prepare to make run  
'cuz I'm diggin' you like, you like, you like  
meet me on the rooftop  
at about 10:30, diggin' you, diggin' you  
ohh-ohhhhh, oh-ohhhhhhhh  
[Chorus w/ad-libs]  
you're my brotha in the alley  
you're my nigga in the sky  
got more weed on today, on the way  
won't you please be in the hurry?  
that's right, that's right  
'cuz I'm diggin' you like a grave  
diggin' you like a grave [here come the police]  
meet meet on the rooftop  
at about 10:30, be there in a hurry  
prepare to get loved  
'cuz I'm diggin' you like a grave  
here come the police  
rooftop
