No good to have lots of beautiful things, because I'm
scared to lose them
But... I want you I want you I want you even if you love
someone else
I don't care if you don't know why the clear sky is blue,
But I want you to know why my cheeks are pink...
No good to have lots of beautiful things, because I'm
scared to lose them
But... I want you I want you I want you even if you love
someone else
I don't care if you don't know why the clear sky is blue,
But I want you to know why my cheeks are pink...

Darlin', Darlin' koko ni kite mieru deshou atashi ga
Darlin', Darlin' ano hi no kissu wasureta furi surunara
Darlin', Darlin' yokogao wa mou akita kotchi multe
Darlin Darlin come here, you can see me right?
Darlin Darlin if you're going to act like you forgot the
kiss that day
Darlin Darlin I'm bored with the side of your face please
turn this way

Biru mo douro mo sekai mo hitoomoi ni kowaretemo ii
Datte sono hou ga anata wo mitsukeyasui deshou?
Kamisama wa inai datte inotta mon
Omoi ga todokimasu you ni tte inotta mon...
I don't care if the the buildings, the roads, and the
world get destroyed
That way it will be easier to find you
There is no god, because I already prayed
I wish my feelings would reach you...

Darlin', Darlin' koko ni kite mieru deshou atashi ga
Darlin', Darlin' ano hi no koto wasuretemo ii kara
Darlin', Darlin' moshikashite atashi no omoisugoshi
kana?
Darlin Darlin come here, you can see me right?
Darlin Darlin you can forget that day now
Darlin Darlin I wonder if that was just my imagination

Hora anata ga aruitekita
Itsumo no you ni shisen wo otosanaide

Nanimo shinakya nanimo nannai
Jibun no kokoro ni firutaa wa iranai
See? You're walking here now
Like usual, without looking down
If you don't do anything then nothing will happen
I don't need a filter in my heart

Darlin', Darlin', can I come close to you?
And can I talk to you?
Darlin', Darlin', can I hope you love me?
But if you say NO! I will love you.
Darlin', Darlin', can I come close to you?
And can I talk to you?
Darlin', Darlin', can I hope you love me?
But if you say NO! I will love you.

Darlin', Darlin', can I come close to you?
And can I talk to you?
Darlin', Darlin', can I hope you love me?
But if you say NO! I will love you.
Darlin', Darlin', can I come close to you?
And can I talk to you?
Darlin', Darlin', can I hope you love me?
But if you say NO! I will love you.
