Ooh, ooh  
Hey, hey, hey

I notice there's a look  
Of doubt in your eye  
When you see me talking  
To other guys  
And I just don't understand why

You must try to understand  
That those other guys  
Are just my friends  
And they all know that  
You're my man, oh, oh

I wouldn't lie to you  
I would never lie to you  
I wouldn't lie to you  
You know I'd never lie to you

I wouldn't lie to you  
(Get up from being jealous)  
I would never lie to you  
(Wanna stay your only friend)

I wouldn't lie to you  
(Get up from being insecure)  
You know I'd never lie to you  
(Don't wanna lose her love, that girl)

I love you far too much  
To let you down  
And you should know that  
I would never mess around  
So there's no need for you  
To wear that frown

You must try to understand  
That those other guys  
Are just my friends  
And they all know that  
You're my man, oh, oh

I wouldn't lie to you  
(Get up from being jealous)  
I would never lie to you  
(Wanna stay your only friend)

I wouldn't lie to you  
(Get up from being insecure)  
You know I'd never lie to you  
(Don't wanna lose her love, that girl)

I, I, I, I, I...

I wouldn't, I wouldn't  
I wouldn't lie to you  
You know I'd never lie to you

I wouldn't lie to you  
I would never lie to you

I wouldn't lie to you  
I'd never lie to you, no

I would never

I wouldn't lie to you  
You're the only one for me  
And I would never, never  
Never, never, never

I wouldn't lie to you  
(I'd never lie to you, no, no)  
I would never lie to you

I wouldn't lie to you  
You know I'd never lie to you

I wouldn't lie to you  
I would never, never  
Never, never let you down

I would never, never, never  
Never, never, never, never  
Never, never

I wouldn't lie to you  
(Get up from being jealous)  
I would never lie to you  
(Wanna stay your only friend)

I wouldn't lie to you

(Get up from being insecure)  
You know I'd never lie to you  
(Don't wanna lose her love, that girl)
