"Hope"

I've watched the strongest fall,
It's been too much to take
Tonight, tonight

Come back for the rest of me,
I think I'm going to break
Tonight, tonight

And the rain came down and I'm on my knees again,
If there's hope I need it,
Hope I need it
It's an awful shame,
The way you went away
It's an awful shame,

Give me hope for what's to come,
I'll see your face
When I sleep again
Tonight, tonight

Save me,
Save yourself

Save me,
Save yourself

And the rain came down and I'm on my knees again,
If there's hope I need it,
Hope I need it
It's an awful shame,
The way you went away
It's an awful shame,

What's happened to me,
I'm on my fucking knees,
So what is left for me,
For me

And the rain came down and I'm on my knees again,
If there's hope I need it,
Hope I need it

It's an awful shame,
The way you went away
It's an awful shame,
