As I look into your eyes I finally realized  
That I have this different feeling inside  
And always try to hide  
It's hard to let you show what I feel for you is true  
And afraid you might not feel the same way too

[Chorus:]

Just give me a sign  
A smile for you will be just fine  
Just give me a sign  
I'm afraid you run out of time  
If you can't express your feelings  
Then it's hard for you to do  
Just give me a sign and I'll let it sure  
That you'll be mine

Everytime you pass me by I close my eyes  
Imagining what I'm telling you  
What I feel inside for you  
But it's hard to let show  
What I feel for you is true  
And afraid you might not feel  
The same way too

[Repeat Chorus 2x]

Just give me a sign and I'll let it sure  
That you'll be mine
