I'd still remember
The day we first meet
There was love all around
You

And me
You gazed me
Like the morning sun
Shining through my life
But seasons changed
Turn the sun

Into rain
And love has gone
Now we can't hold on

(Chorus)

I did everything in the name of

Love
I did everything
But to fight went on and on
I tried to give in
But you keep on breaking my

Heart
Can't we just stop
Make it right in the name of love
In the name of love

I can't

Remember
The last time you said
You will love me forever and ever
If it is true we should make it

Last
And start over again

We need to change

No more pride and the pain
You'd understand me
As I understand you

(Repeat chorus)
(Repeat last verse)

I did everything in the name of

Love
I did everytihng
But to fight went on and on
I tried to give in
But you keep on breaking my

Heart
Can't we just stop
Make it right this time
In the name of love
In the name of

Love
