Trailer red like the sea  
Well I'm the son of a crowded bed  
Find your love's gonna count for me  
Your love that breathes, breeds

Gonna paste up our damn heads  
We're gonna drop, gonna drop, gonna count for me  
Your love that breathes, breeds  
Your love that's catchin' the breeze

Son of a crowded bed  
Son of a cloudy night  
We'll find your love's gonna count for me  
Your love's gonna count for me

We'll countdown, we'll countdown  
We'll countdown, we'll countdown  
We'll countdown, we'll countdown  
We'll countdown, we'll countdown, yeah

Waitin' for a chance to pass  
Some ho say, some say, now go  
Lookin' for a chance for speed  
Well a love that breathes, breeds

High time getting past black  
Gonna drop, gonna drop, gonna count for me  
Your love that breathes, breeds  
Well your love that's catchin' the breeze

Son of a crowded bed  
Son of a cloudy night  
Find your love's gonna count for me  
Your love's gonna count for me

We'll countdown, we'll countdown  
We'll countdown, we'll countdown  
We'll countdown, we'll countdown  
We'll countdown, we'll countdown

We'll countdown, we'll countdown  
We'll countdown, we'll countdown

We'll countdown, we'll countdown  
We'll countdown, we'll countdown, yeah
