Don't despair, you're there,
From beginning to middle to end.
Don't despair,
You're there through my wasted days,
You're there through my wasted nights.

Oh despair,
You've always been there, you're always been.
You're there through my wasted years.
Through all my lonely fears, no tears.
Will run through my fingers, tears,
They're stinging my eyes, no tears.
If it's all in my head, there's nothing to fear,
Nothing to fear inside.
Through the darkness and the light
Some sun had gotta rise.

My sun is your sun,
Their sun is our sun.
My sun is your sun,
Their sun is our sun.

Oh despair, you were there through my wasted days,
You're there through my wasted nights,
You're there through my wasted years,
You're there through my wasted life!
You've always been there, you're always been.
You're there through my wasted years.
Through all my lonely fears, no tears.
Will run through my fingers, tears,
They're stinging my eyes, no tears.
If it's all in my head, there's nothing to fear,
Nothing to fear inside.
Through the darkness and the light
Some sun had gotta rise.

My sun is your sun,
Their sun is our sun.
Sun has gotta rise.
My sun is your sun,
Their sun is our sun.
Sun has gotta rise.
