Baby I'm afraid of a lot of things but  
I ain't scared of loving you  
And baby I know you're afraid of a lot of things  
But don't be scared of love... 'cause  
People will say all kinds of things  
But that don't mean a damn to me  
'Cause all I see is what's in front of me  
And that's you

Well I've been dragged all over the place  
I've taken hits time just don't erase

And baby I can see you've been fucked with too  
But that don't mean your loving days are through  
'Cause people will say all kinds of things  
But that don't mean a damn to me  
'Cause all I see is what's in front of me  
And that's you

Well I may be just a fool  
But I know you're just as cool  
And cool kids, they belong together
