No longer, no longer
What you ask
Strange steps
Heels turn black

The cinders, the cinders
They light the paths
And these strange steps
Take us back, take us back

Flow sweetly, hang heavy
You suddenly complete me
You suddenly complete me

Flow sweetly, hang heavy
You suddenly complete me
You suddenly complete me

Ohh, ohh, ohh, hysterical
Ohh, ohh, ohh, hysterical

No wonder, no wonder
Other half
Strange steps
Heels turn black

The cinders, they splinter
And light the paths
And these strange steps
Trace us back, trace us back

Flow sweetly, hang heavy
You suddenly complete me
You suddenly complete me

Flow sweetly, hang heavy
You suddenly complete me
You suddenly complete me

Hysterical, hysterical
Hysterical, hysterical
Hysterical, hysterical
