Green hours
Blue rope
Hot wax, for hearts are cold
We're three, we're three in the dark tonight
And baby my snake is a shark tonight, uh huh

He's got youth on his side
He's got small purple eyes
Now he's as straight as a bow
When there's nobody home, hey!

Everywhere kiss me
Everywhere kids speak
No catch, no beat
Everywhere kiss me
Everywhere kiss me

Everywhere kiss me
Everywhere kids meet
No catch, no beat
Everywhere kiss
Everywhere kiss, kiss me!

Now move, I'm gonna come dry
I drop my reasons out of sight
I drank until the waters dried
It's all okay till someone dies
I shoot my name up every vein!
You can't get hurt, you can't complain
No feet, no hands, no tale, no lies!
He's got youth on his side

Everywhere kiss me
Everywhere kids speak
No catch no beat
Everywhere kiss me
Everywhere kiss me

Everywhere kiss me
Everywhere kids meet
No catch no beat
Everywhere kiss

Everywhere kiss kiss me

We're three, we're three, we're three, we're three!
We're three, we're three in the dark tonight, and baby
my snake is a shark tonight
