Patience, shadow. While you're sick, there's no sight to see.

Little shadow, little shadow.

To the night, will you follow me?

Pardon, shadow, hold on tight to your darkened key.

Little shadow, little shadow.

To the night, will you follow me?

Closer, shadow, volume strikes, still we're cut free of this song, little shadow

To the night, will you follow me?

Hey, shadow, stars, break of dawn, take a turn for stars, to my fantasy

Little shadow, to the night, will you follow me?

Little shadow, to the night, will you follow me?
