Go!

I got a man who makes me wanna kill
I got a man who makes me wanna kill
I got a man he makes me wanna UGH
I got a man who makes me wanna kill
There he is. There he is. There he is. There he is.

I got a man who makes me wanna die
I got a man who makes me wanna die
I got a man who makes me wanna
Oh, I got a man who makes me wanna die

Yeah we're all gonna burn in hell
I said we're all gonna burn in hell
Because we're two of a kind, to be real
And we've got the fever to tell
I said we've got the fever to tell

Hey!
Come on!
Hurry now Uh Hu
Hey
Uh
Hey
Uh
Come on
Uh
Ha!
2-3, go

I got a man who's beggin' for me
I got a man who makes the devil pale
I got a man who makes me wanna kill
I got a man who makes me wanna kill

Yeah we're all gonna burn in hell
I said we're all gonna burn in hell

Because we're two of a kind, to be real
And we've got the fever to tell
I said we've got the fever to tell

I got a man
Well
I got a man
Hey
I got a man
Yeah yeah
