Don't hold on  
Go get strong  
Well don't you know  
There is no modern romance

Time, time is gone  
It stops stops who it wants  
Well i was wrong  
It never lasts  
There is no  
This is no modern romance

In time, time is gone  
Never lasts, stops who he was  
Well i was wrong  
Never lasts

This is no  
There is no modern romance  
There is no modern romance  
This is no modern romance  
There is no there is no

(about 1 minute later)  
Baby I'm afraid of a lot of things  
But  
I aint scared of lovin you  
Baby I know your afraid of a lot of things  
But  
Don't be scared of love

Cause  
People will say all kinds of thing  
That don't mean a damn to me  
Cause all I see  
Is what's in front of me  
And that's you

Well, I've been dragged all over the place  
I've taken hits time just don't erase  
And baby i can see you've been fucked with too  
But that don't mean your lovin days are through

Cause people will say all kinds of things  
That don't mean a damn to me  
Cause all I see  
Is what's in front of me  
And that's you

Well I maybe just be a fool  
But I know you're just as cool  
And cool kids  
They belong together
