Twist, Twist,  
Twist, before Ice Cream.  
Come dance, Its an eruption  
You cant help these shakes of loosing  
But its change or its dead  
Aww!

Remain trapped, to get violent  
I need tape for perfection  
The most love, im assuming  
Love the smell of your breath

Aww!

Assualt, Hopeless

Mr. you're on fire Mr.  
No sir I'm okay  
Mr. you're on fire Mr.  
No sir I'm okay  
Mr. you're on fire Mr.  
No sir I'm okay  
Mr. you're on fire Mr.  
No sir I'm okay.....
