Checked my glove for the cash It was all for the one, for the one Slept my baby through it all Checked my door for the crash Shut like the first, you shut the last I won, I won, slept my baby through it all

I want out, I want out I want out, I want out

Drop, drop down a floor Shoot, shoot out your mouth These days are scraped from ceilings Drop, drop down a floor Shoot, shoot out your mouth These days are scraped from ceilings

I want out, well, I want

Checked my glove for the cash It was all for the one, for the one Slept my baby through it all Checked my door for the crash Shut like the first, you shut the last I won, I won, slept my baby through it all
