Let's go

Power super, super power, power super, super power

Would you like to play a game of hide and seek, now La la la la lalala

If you have x-ray eyes, please promis not to peek, now La la la lalala

Well first we count to ten and then we'll have some fun, now

La la la lalala

Or will you fly away before we count to one, now La la la lalala

A signal in the sky, oh That's when you know that you have to fly, oh A signal in the sky, ohohohoh

Let's go
You know you've got a lot to do
Ohoo
Let's go
And everything depends on you
Ohoo

Ohoohohooo

Hey girls, hey girls, come out and play, now
La la la la lalala
Or do you have to hurry of to save the day, now
La la la lalala
Well can't you come over, watch a movie with your
friends, now
La la la lalala
Or will you fly away before we see the end, now
La la la la lalala

A signal in the sky, oh That's when you know that you have to fly, oh A signal in the sky ohohohoh You know you've got a lot to do Ohoo Let's go And everything depends on you Ohoo

Ohoohohooo

Power super, super power, power super, super power (2x)

A signal in the sky, oh That's when you know that you have to fly, oh A signal in the sky ohohohoh

(At the same time; power super, super power etc.)
Let's go
You know you've got a lot to do
Ohoo
Let's go
And everything depends on you
Ohoo (3x)
