I lost you on the subway car  
Got caught without my metro card  
I waited and I waited for the express train  
Wanna catch up to you wherever you are  
I'm waiting and I'm waiting  
I'm waiting and I'm waiting  
I'm waiting and I'm waiting  
I'm waiting and I'm waiting  
And it was hot  
And when it stopped

It was metal on the mental  
It was somethin' in my heart  
It was metal on the mental  
It was somethin' in my heart

Got on the train and I took a seat  
Thought why are these people all watching me  
Caught my reflection in the subway car  
Thought look at you whoever you are  
I'm waiting and I'm waiting  
I'm waiting and I'm waiting  
I'm waiting and I'm waiting  
I'm waiting and I'm waiting  
And it was cool  
And when it stopped

It was metal on the mental  
It was somethin' in my heart  
Metal on the mental  
It was somethin' in my heart

Well I got I got I got I got  
Got off got off on you  
Well I got I got I got  
Got off got off got off on you  
Well I got got off I got  
Got off got off got off on you  
I got I got I got  
Got off got off got off on you

It was metal on the mental  
It was somethin' in my heart  
It was metal on the mental  
Some somethin' in my heart
