You make me
You make me
You make me
Tick tick tick
Time you take it

You look so good
You take your time
Tick tick tick time
You take it

Lets have a look
Tick tick tick time
Tick tick tick
Time you take it
Time you take it

Hey, hey, alright c'mon
You make me
You make me
You make me

You make me wanna loose
You make me wanna loose
You make me wanna loose
You make me wanna loose

Hey, hey, hey, I will long, come on
You make me wanna loose
You make me wanna loose
You make me wanna loose
You make me wanna loose

You look like shit
You take your time
Tick tick tick time
You take it

Lets have a look
Tick tick tick time
Tick tick tick
Time you take it

Time you take it
