Shake it, like a ladder to the sun  
Makes me feel like a madman on the run  
Find me, never, never far gone  
So get your leather, leather  
Leather on, on, on, on

You're a zero!  
What's your name?  
No one's gonna ask you  
Better find out where they want you to go!

Try and hit the spot  
Get to know it in the dark  
Get to know it whether you're  
Crying, crying, crying, oh oh!  
Can you climb, climb, climb higher?

Shake it, like a ladder to the sun  
Makes me feel like a madman on the run  
No you're never, never far gone  
So get your leather, leather  
Leather on, on, on, on

You're a zero!  
What's your name?  
No one's gonna ask you  
Better find out where they want you to go!

Try and hit the spot  
Get to know it in the dark  
Get to know it whether you're  
Crying, crying, crying, oh oh!  
Can you climb, climb, climb higher?

Was it the cure?  
Shell shock!  
Was it the cure?  
Hope not!  
Was it the cure?  
Shell shock!  
Was it the cure?  
What's your name?

You're a zero  
What's your name?  
No one's gonna ask you  
Better find out where they want you to go

Try and hit the spot  
Get to know it in the dark  
Get to know it whether you're  
Crying, crying, crying, oh oh!  
Can you climb, climb, climb higher

Was it the cure?  
Shell shock!  
Was it the cure?  
Hope not!  
Was it the cure?  
Shell shock!  
Was it the cure?  
Hope not!

What's your name? (x7)
