I know you're really proud 'cause you think you're well
hung
But I think it's time you learn how to use your tongue
(yeah)
You say you want things to be even and you want
things to be fair
But you're afraid to get your teeth caught in my pubic
hair
If you're lying there expecting me to suck your dick
You're gonna have to give me more than just a token
lick
Well, you may not like it but you better learn how
'Cause it's your turn now

(chorus)

Now, you suck
Suk it hard
Go down, baby
You suck
Lick it hard
And move your tongue around

If you're worried 'bout babies you can lower your risk
By giving me that special cunnilingus kiss
It's on your face that I'm gonna sit
You can wiggle you can jiggle your tongue on my clit
Don't worry about making me have an orgasm
Just take your time and do it with enthusiasm
I can tell it's making you scared just thinking of it
But you better learn to love it

(chorus x2)

When you hear 'safe sex' you snicker under your
breath
We've gotta take cover we're flirting with death
AIDS is our problem, we've gotta talk
Break out your dental dam and your latex sock
I'm your latex lover wrapped like a gift
Got my microwave plastic wrap heating up my clit,
wooh!
Dinner's on, get busy with my booty

Got a couple of flavors, sweet licorice and fruity
I know you said luscious pussy with a cover
I'm aching too, we can't taste each other
There's no slacking off with an unprotected stroke
This aint no joke

Sisters..sisters, you've got the power...use it!

chick: You brought a condom, right?
dude: Huh?
chick: I'm unprotected.
dude: Ain't you on the pill?
chick: Oh, that was great and everything, but you know,
I think it's your turn to go down on me.
dude: Oh, I'm tired, I'm tired..
chick: What do you mean you're tired?
dude: C'mon..
chick: Come on, baby, come on!..
dude: No, no, that's awful...that tastes terrible!
chick: You asshole! You shit!

I know you think it's a real drag
To suck my cunt when I'm on the rag
Quit making up stories, ah, give me a break
'Cause I really don't believe that you've got a headache
You tell me it's gross to suck my yeast infection
How do you think I feel when I gag on your erection?
ugh!
You're wasting your tongue with lame excuses and lies
Get your face between my thighs

(chorus x2)
Now, you SUCK!
