[Originally by Nirvana]

What else should I be
All apologies
What else should I say
Everyone is gay
What else should I write
I don't have the right
What else should I be
All apologies

In the sun
In the sun I feel as one
In the sun
In the sun
Married
Buried

I wish I was like you
Easily amused
Find my nest of salt

Everything is my fault
I'll take all the blame
Aqua seafoam shame
Sunburn with freezefurn
Choking on the ashes of her enemy

In the sun
In the sun I feel as one
In the sun
In the sun

[x2]
Married
Buried

Yeah, yeah yeah yeah

[x13]
All in all is all we are (All alone is all we all are?)
