Verse 1:

Gruff stunnin', just like Hev I keep it comin'
keep the Gin pumpin', freaks I'm slam dunkin'
twistin' 'em, whippin' 'em, pourin' Criss on 'em
the more I spit at 'em the more it gets to them
position 'em, explore and fish in 'em
keep them rainhats like I'm goin' fishin'n
go deep, man I ain't no lil' Bo peep
sex so sweet, lick you neck to yo' feet
we can go eat, scoop you in the Range Rov. jeep
creep to the Marriot get a lil' suite
god Damm, look at that ass on Monique
it'll have a nigga trickin' his cash the whole week.

Chorus -
