Think about the love inside the strength of heart  
Think about the heroes savin' life in the dark  
Climbin' higher through the fire, time was runnin' out  
Never knowin' you weren't going to be comin' down  
alive

But you still came back for me  
You were strong and you've believed

Everything is gonna be alright  
Everything is gonna be alright  
Everything is gonna be alright  
Be strong, believe  
Be strong, believe

Think about the chance I never had to say  
Thank you for giving up your life that day  
Never fearing, only hearing voices callin' out  
Let it all go, the life that you know, just to bring it down  
alive

And you still came back for me  
You were strong and you've believed

Everything is gonna be alright  
Everything is gonna be alright  
Everything is gonna be alright  
Be strong, believe

Everything is gonna be alright  
Everything is gonna be alright  
Everything is gonna be alright  
Be strong, believe

{Again today, we take into our hearts and minds  
Those who perished on this site one year ago  
And also those who came to toil in the rubble  
To bring order out of chaos  
To help us make sense of our despair}

Wanna hold my wife when I get home  
Wanna tell the kids they'll never know

How much I love to see them smile

Wanna make a change or two right now  
Wanna live a life like you somehow  
Wanna make your sacrifice worthwhile

Everything is gonna be alright  
Everything is gonna be alright  
Everything is gonna be alright  
Be strong, believe

Everything is gonna be alright  
Everything is gonna be alright  
Everything is gonna be alright  
Be strong, believe

Think about the love inside the strength of heart  
(Everything is gonna be alright)  
(Everything is gonna be alright)  
Think about the heroes saving life in the dark  
(Everything is gonna be alright)  
(Be strong, believe)  
Think about the chance I never had to say  
(Everything is gonna be alright)  
(Everything is gonna be alright)  
Thank you for giving up your life that day  
(Everything is gonna be alright)  
(Be strong, believe)

{The world will little note  
Nor long remember what we say here  
But it can never forget what they did here}
