What's a dad for dad
Tell me why I'm here dad
Whisper in my ear that I'm growing up to be a better
man dad
Everything is fine dad
Now that you are mine dad
Cause I know I'm growing up to be a better man

Father I will always be
That same boy that stood by the sea
And watched you tower over me
Now I'm older I wanna be the same as you

What's a dad for dad
Tell me how to stand dad
Took me by the hand and you showed me how to be a
bigger man dad
Listen when you talk dad
Follow where you walk dad
And you know that I will always do the best I can (I can)

Father I will always be
That same boy that stood by the sea
And watched you tower over me
Now I'm older I wanna be the same as you
(The same as you)

Father I will always be
That same boy that stood by the sea
And watched you tower over me
Now I'm older I wanna be the same as you
