[Originally by Billy Joel]

woohooohoo for the longest time
woohooohoo for the longest time
if you'd say goodbye to me tonight
there would still be music left to write
what else could I do
I'm so inspired by you
you haven't been there for the longest time
if you say that i'm the one that's wrong,
would i have the strength to carry on
that's where you found me,
when you put your arms around me
you haven't been there for the longest time
woohooohoo for the longest time

woohooohoo for the longest time
I'm that voice your hearing in the hall
and the greatest miracle of all
is when you found me,
when you put your arms around me
you haven't been there for the longest time
If you said that i'm the one that's wrong
would i have the strength to carry on
i'll take my chances
i forgot how sweet romance is
you haven't been there for the longest time
woohooohoo for the longest time
woohooohoo for the longest time
