[McGruff]

I want fast cash, slow dough's a no-no  
And livin so-so, flip coco, dippin from po-po  
Clippin fo-fo, sippin Alize and Mo-Mo  
Ro' glow, incognito, on the low-low  
Puff 'dro slow, bulletproof, vest and hat  
On my waist, rest my gat, shut your trap  
Threat the rap, watch yo, begets get yapped  
Harlem World's where I rest my bat  
Before the rap was on the map  
Nigga, gettin freshin crack  
Get them stacked, kept the mack, accept the fact  
You see me, protect ya back  
Throw you in the dope fiend, watch your neck go crack  
Let's go back, when I used to chess, go chat  
Give me your dough stack, nigga, plus the fresh go-  
lack  
Let me hold that, me hold that, me hold that, me hold  
that
