Mary belongs to the words of a song  
I try to be strong for her, try not to be wrong for her  
But she will not wait for me anymore, anymore  
Why did I say all those things before I was sure?

(She is the one)  
But I have a purpose  
(She is the one)  
And I have to fight this  
(She is the one)  
The villain I can't knock down

I see your face with every punch I take  
And every bone I break, it's all for you  
And my worst pains are words I cannot say  
Still I will always fight on for you

Mary's alive in the bright New York sky  
The city lights shine for her, above them I cry for her  
Everything's small on the ground below, down below  
What if I fall, then where would I go, would she know?

(She is the one)  
All that I wanted  
(She is the one)  
And I will be haunted  
(She is the one)  
This gift is my curse for now

I see your face with every punch I take  
And every bone I break, it's all for you  
And my worst pains are words I cannot say  
Still I will always fight on for you

I see your face with every punch I take  
And every bone I break, it's all for you  
And my worst pains are words I cannot say  
Still I will always fight on for you

I see your face with every punch I take  
And every bone I break, it's all for you  
And my worst pains are words I cannot say

Still I will always fight on for you  
Fight on for you  
Fight on for you
