I could tell you the wildest of tales
My friend the giant and traveling sales
Tell you all the times that I failed
The years all behind me
The stories exhaled.
And I'm drying out
Crying out
This isn't how I go

I could tell you of a man not so tall
Who said life's a circus and so we are small
Tell you of a girl that I saw
I froze in the moment and she changed it all

And I'm drying out
Crying out
This isn't how I go
Hurry now
Lay me down
And let these waters flow
Flow...

Son I am not everything you thought that I would be

But every story I have told is part of me

And you keep the air in my lungs
Floating along as a melody comes
And my heart beats like timpani drums
Keeping the time while a symphony strums
And I'm drying out
Crying out
This isn't how I go
Hurry now
Lay me down
And let these waters flow...
Flow...
Let it flow
Let it flow

Son I am not everything you thought that I would be
But every story I have told is part of me

Son I leave you now but you have so much more to do
And every story I have told is part of you
