What's a Dad for Dad?  
Tell me why I'm here Dad?  
Whisper in my ear  
That I'm growing up to be a better man, Dad  
Everything is fine Dad  
Proud that you are my Dad  
'Cause I know I'm growing up, to be a better man

Father I will always be  
That same boy that stood by the sea  
And watched you tower over me  
Now I'm older and I wanna be the same as you

What's a Dad for Dad?  
Taught me how to stand, Dad  
Took me by the hand  
And you showed me how to be a bigger man, Dad  
Listen when you talked, Dad  
Follow where you walked, Dad  
And you know that I will always, do the best I can, I can

Father I will always be  
(Always be)  
That same boy that stood by the sea  
And watched you tower over me  
(Over me)  
Now I'm older, I wanna be the same as you  
The same as you

Father I will always be  
That same boy that stood by the sea  
And watched you tower over me  
Now I'm older, I wanna be the same as you

Father I will always be  
(When I am a Dad, Dad)  
(When I am a Dad, Dad)  
(I'm gonna be a good Dad)  
(I'm gonna be a good Dad)  
That same boy that stood by the sea  
(Did the best you could, Dad)  
(Did the best you could, Dad)

(Always understood, Dad)  
(Always understood, Dad)  
And watched you tower over me  
(Taught me what was right, Dad)  
(Taught me what was right, Dad)  
(Opened up my eyes, Dad)  
(Opened up my eyes, Dad)  
Now I'm older, I wanna be the same as you  
(Glad to call you my Dad)  
(Glad to call you my Dad)  
(Thank you for my life Dad)
