If I could I would do all of this again
Travel back in time with you
To where this all began
We could hide inside ourselves
An' leave the world behind
And make believe
There's something left to find

We'll be miles apart
I'll keep you deep inside
You're always in my heart
A new life to start
I may be leaving but
You're always in my heart

Now we've all grown up
Gone on and moved away
Nothin' I can do about it
Nothin' I can say
To bring us back to where we were
When life was not this hard
(Life was not this hard)
Looking back it all just
Seems so far, so far away

We'll be miles apart
I'll keep you deep inside
You're always in my heart
A new life to start
I may be leaving but
You're always in my heart

Give it up for just
One more day with you
Give it up for just one more day
I'd give it up for just
One more day with you

I'd give it up for just
One more day with you
Give it up for just one more day
I'd give it up for just one more day with you

(Ooo)
I'd give it up for just
One more day with you
(Ooo)
Give it up, give it all away
(Ooo)
I'd give it up for just
One more day with you

We'll be miles apart
I'll keep you deep inside
You're always in my heart
A new life to start
I may be leaving but
You're always in my heart

I need you now, we're miles apart
I'll keep you deep inside
You're always in my heart
I need you now, we're miles apart
I may be leaving but
You're always in my heart
