(Verse 1)

There's a place off Ocean Avenue where I used to sit  
and talk with you.

We were both 16 and it felt so right, sleeping all day,  
staying up all night.

Staying up all night.

(Verse 2)

And there's a place on the corner of Cherry Street  
where we would walk on the beach in our bare feet.

We were both 18 and it felt so right,  
Sleeping all day and staying up all night

Staying up all night

(Chorus)

If I could find you now, things would get better, we  
could leave this town and run forever, but your waves  
crash down on me, and take me away away yeah

(Verse 3)

There's a piece of you that's here with me, it's  
everywhere I go, it's everything I see. When I sleep I  
dream and it gets me by. I can make believe that your  
here tonight. That your here tonight

(Chorus)

If I could find you now, things would get better. We  
could leave this town and run forever. I know  
somewhere, somehow we'll be together. Let your waves  
crash down on me and take me away. Yeah yeah

(Verse 4)

I remember the look in your eyes, when I told you that  
this was goodbye. You were begging me not tonight,  
not here, not now. We were looking up at the same  
night sky we keep pretending the sun would not rise, so  
we'd be together for one more night, somewhere,  
somehow.

(Chorus)

If I could find you now, things would get better. We  
could leave this town and run forever. I know  
somewhere, somehow we can be together. But your

waves crash down on my, and take me away away yeah
