One more trip down
To the lost and found
To find your heart
That the quarterback punk

Dropped on the ground
One more trip down
To the lost and found
To find your heart

Left out
The one they picked last
For the big ball game
Beat up after class

No doubt
Showed up one day
You were not the same
You won't be the last one anymore

One long walk down
Through the hallway now
You're finding out

That you don't fit in this time around
One long walk down
Through the hallway now
You feel left out

Left out
The one they picked last
For the big ball game
Beat up after class

No doubt
Showed up one day
You were not the same
You won't be the last one anymore

Left out
The one they picked last
For the big ball game

Beat up after class

No doubt
Showed up one day
You were not the same
You won't be the last one anymore
Woo

Left out
The one they picked last
For the big ball game
Beat up after class

No doubt
Showed up one day
You were not the same
You won't be the last one
