I think I'm breakin' out
I'm goin' to leave you now
There's nothing for me here
It's all the same

And even though I know
That everything might go
Go downhill from here
I'm not afraid

Way away away from here I'll be
Way away away so you can't see
How it feels to be alone and not believe
Feels to be alone and not believe, anything

You can't stop me now
You can't hold me down
You can't keep me here
I'm on my way

I've made it this far now
And I'm not burnin' out
No matter what you say
I'm not afraid, hey

Way away away from here I'll be
Way away away so you can't see
How it feels to be alone and not believe
Feels to be alone and not believe, anything

Letting out the noise inside of me
Every window pane is shatterin'
Cutting off my words before I speak
This is how it feels to not believe

Letting out the noise inside of me
Every window pane is shatterin'
Cutting off my words before I speak
This is how it feels to not believe

Way away away from here I'll be
Way away away so you can't see

How it feels to be alone and not believe
Feels to be alone and not believe, anything
