"Always on my Mind" One Voice

My friends tell me I'm crazy
They say that I'm strange
They tell me ever since I met you I've changed
I must admit it's true
And I'd go out of my way to do
Anything for you
'Cause Baby I want you to know
That I've gotten so close
And I need you to show me a sign
Because you and I
Can't afford to waste time
When it's love that's on my mind

CHORUS:

Every second, every minute, every hour, every day
It's you that I've been thinking of
And every day, every week, every month, every year
With you I wanna be in love
'Cause I can't get enough
Always on my mind
Yes you are
I think about you all the time

I can't eat and I can't sleep
I can't think 'cause all I think about is you
And how you make me feel inside
From every little thing that you do
'Cause you put a smile on my face
Every time we embrace
And pull my body close to you
But if only you knew
All the things that I'd do
For your love Oh stay true

CHORUS

BRIDGE:

All I need
Is a little more time and devotion
So that we can be

Living a life full of love for eternity
'Cause I don't wanna be alone
And my house would not be a home
Without you here with me

CHORUS 2x

Always on my mind
'Cause I can't get enough
Always on my mind
Yes you are
'Cause I can't get enough

2x
