[1st Verse:]

365 you call me all the time
I'm picking up my line, U say I'm looking fine
Talking bout how you miss and love me
How you and me were always meant to be
Then why did you cheat on me so gradually
I don't understand how you did this to me
Asking me if I want you back
I don't really know gotta think bout that

[Build_up:]

It's hard cuz I lost the trust for us
Why did you lust?
It's hard cuz I lost the trust for us
I won't cry and fuss

[Hook:]

All you ever do is lie to creep on me
So don't try to step to me
Playa get your hands off me
Even though I love you so I can't
See you next to me so don't
Try to mess with me
Playa get your hands off me

[2nd Verse:]

247 I'm thinking about you
My heart can't take it I'm really missing you
Now why did you go and play the shady fool
You have no reason and I have no clue
Deep down in side I'm still in love with you
But you just had to treat me so cruel
Baby boy I think I want you back
I don't really know gotta think about that

[Build-up]

[Hook]

[Breakdown:]

[2x] You have to let her go if you wanna get back with
me
Cuz I'm not down with S.O.M.E. after three
