k-os speaking:

We're going to do a song, that you've never heard before

Or maybe you have,

Regardless I want y'all to make some noise right now

Yeah, this is the Joyful Rebellion.

Yeah, check it out.

k-os rapping:

Yo, ring the alarm, I'm ready to drop the bomb. (Yeah)

I'm not a muslim, but I have (?) faith Alah (?)

This is the calm before the storm, but is it richeous?

Can I right the songs to make the world sing?

Gee slim, with the rude gal demeanah

Happy to meet you, Miss Argentina.

Bob, dob belina, taking my crown, to hold me down.

I took it back, now he's crying tears of the clown.

I slay Goliath with the mic in my hand,

But I still make the round on American Bandstand.

The foolproof plan, but is it calculated?

Can it be violated or even be immitated?

It's highly anticipated like: (strange noise)

But if it's not you, it's nice to believe.

It's the return of the original man, to slay the beast of
tha land.

I'm dumbing it down, so CLAP UR HANDZ!
