Turn this up

Turn this up

Uh huh

No beat

Uh huh

No no no beat

Uh huh uh huh

Bring it

Bring it

Heaven only knows

uh uh

Cuz I don't understand

understand

Won't you tell me please

tell me please

What's the master plan

master plan

Spent so many days

many days

Sitting on a cloud

sitting on a cloud

Heaven only knows

only god knows

So I'll just move the crowd

Yo tell em

Tell em

Now

Now

Now

I break out my physical shell

And excel past the so called body

Used to go to the party

But now I sit and chill with the pen and the pad

Dropping ill philisophical science

Me and my dad we talk about life

And how it started

How we departed from lights path

And probable right math

The task at hand is making people understand that

we're not who we Think we are
Within this land of lost the cost of souls could be so high
People be getting high wondering why we die
But it's all planned
To get your fear take the hand
We keep on returning because the lessons need learning
Concerning the fact
I sing and I rap
I hold this mic contact
Critics can step back and analize
I energise with cosmic rays of days
There ain't no ??? ??? of the sun

heaven only knows
cuz I don't understand
don't undertand
wont you tell me please
cuz I pray every day
whats the master plan
the master plan
spent so many days
many days
sitting on a cloud
sitting on a cloud
heaven only knows
only god knows
so I'll just move the crowd

yo riddle me this riddle me this like this

melodical prodigal flows hypnotical blows to brain pieces telekenisis when I reach this pinnacle cynical clinical microphone autobots waiting on lotto spots trying to rock but yo they can't understand there's only one plan the time is at hand in the year two zero one one the people of the sun return to free the righteous children now!, I know you want to be on top of the world giving a diamond and pearl to your girl watching your jacuzi swirl seems like material lust

we need to look up to the heavens for imperial trust me!, it's kinda hard when you rhyme sometimes everybody wants to scrutinize redifine who you are but every person is a star so let your light shine far and praise god

heaven only knows
only knows
cuz I don't understand
don't understand now
wont you tell me please
tell me please
whats the master plan
I wanna know the plan
spent so many days
many days
sitting on a cloud
sitting on a cloud
heaven only knows
so I'll just move the crowd

if you feel this sing it with me like sing it with me like sing it with me like

la la lala lala I'll just move the crowd for now

gotta move the crowd gotta move the crowd gotta move the crowd

la la lala lala I'll just move the crowd for now
