Lady in the limelight  
Lady in the gaze of a thousand eyes  
You showed me the sign  
You've opened my mind

Lady in the limelight  
Lady in the gaze of a thousand eyes  
You showed me the sign  
You've opened my mind in time

Lady in the limelight  
I could not have made it on my own  
You showed me the way  
You taught me to pray

Not so long ago  
I was blind, I was blind  
Wouldn't let my feelings show  
Thought I way cool, but you knew better

When you came along  
I was wrong, I was wrong  
Told myself I was strong  
But it took you to call my bluff

Lady in the limelight  
Lady in the gaze of a thousand eyes  
You showed me the sign  
You've opened my mind in time

Lady in the limelight  
I could not have made it on my own  
You showed me the way  
You taught me to pray

Even to this day  
I'm amazed, I'm amazed  
Cannot find the words to say how I feel  
It's so unlike me

To be laying at your feet  
You're the angel I was born to meet

You're more than a occasional treat  
You're my life

I'll never let you go, my love  
'Cos no-one can replace  
The overwhelming grace  
Of your exquisite face  
You gave me my soul  
You restored my soul...

Lady in the limelight  
Lady in the gaze of a thousand eyes  
You showed me the sign  
You've opened my mind in time

Lady in the limelight  
I could not have made it on my own  
You showed me the way  
You taught me to pray
