Chorus:

Everyday is Saturday night, but I can't wait for Sunday  
morning, Sunday morning

Verse 1:

It's the same thing, back in the cold  
People know people come and go it bores me  
Same thing  
Seems like I'm trapped in the world where the servants  
they serve time  
Time waits on no man  
So when people fall like me  
I can't wait

Chorus (x2)

Verse 2:

Walking down blocks  
Pictures don't stop  
Pictures inside my dome  
This is not me  
I'm just afraid to be here all alone  
Hurry up, wait  
Quit it don't stop  
I'm drowning in the self  
This is not me  
Where is my revolution, but  
If you want to own me  
I am not concerned  
If you follow me  
I know that I can learn  
You might be the greatest thing I've ever seen  
All I know is music  
All, All I've ever known
