In the fountains of the universe
Set time in accord
Sits the boychild Solomon
Ever turning round and round
In the cities of the Southern Sky
Set points universe
Dreams he of glory
Pulsating round and round
Future times will stand and clearly see
Highest dancing
Of the course of innocence
Drifting drifting

See it all
See it all
Till tomorrow
See it all
See it all
Till tomorrow
Future times will stand and clearly smile
Of the course of innocence

Dantalion will ride again, raging forth underland
The course of evils standing straight, grind to grind
Hot metal will abound the land churning out shout
As the form regards our blazing hand
Future times will stand and clearly see
Of the course of innocence

One the word will enter all our hearts
Two the duel will alter them
Three jewels countenance divine away delight away
Four the fight to free the land
Five the islands of Arabia
Six the tears that separate
Six the tears that separate
