A man conceived a moment's answers to the dream.
Staying the flowers daily, sensing all the themes.
As a foundation left to create the spiral aim,
A movement regained and regarded both the same,
All complete in the sight of seeds of life with you.
Changed only for a sight of sound, the space agreed.
Between the picture of time behind the face of need,
Coming quickly to terms of all expression laid,
Emotion revealed as the ocean maid,
All complete in the sight of seeds of life with you.
Oh.

Coins and crosses

Turn round tailor, assaulting

Never know their fruitless worth
