Anderson/Bruford/Howe/Squire)

And you and I climb, crossing the shapes of the
morning.
And you and I reach over the sun for the river.
And you and I climb, clearer, towards the movement.
And you and I called over valleys of endless seas.

Siberian Khatru
(Anderson/Howe/Wakeman)

Sing, bird of prey;
Beauty begins at the foot of you. Do you believe the
manner?
Gold stainless nail,
Torn through the distance of man
As they regard the summit.

Even Siberia goes through the motions.
Hold out and hold up;
Hold down the window.Outbound, river,
Hold out the morning that comes into view. Bluetail,
tailfly.
River running right on over my head.

How does she sing?
Who holds the ring? And ring and you will find me
coming.
Cold reigning king,
Hold all the secrets from you
As they produce the movement.

Even Siberia goes through the motions.
Hold out and hold up;
Hold down the window.Outbound, river,
Hold out the morning that comes into view. Bluetail,
tailfly.
River running right over the outboard, river,
Bluetail, tailfly,
Luther, in time.
Dood'ndoodit, dah, d't-d't-dah.

Hold down the window;
Hold out the morning that comes into view.
Warm side, the tower;
Green leaves reveal the heart spoken Khatru.

Gold stainless nail,
Torn through the distance of man as they regard the
summit.
Cold reigning king,
Shelter the women that sing
As they produce the movement.
River running right on over,
Then over my head. Outboard, river.

Bluetail, tailfly,
Luther, in time,
Suntower, asking,
Cover, lover,
June cast, moon fast,
As one changes,
Heart gold, leaver,
Soul mark, mover,
Christian, changer,
Called out, saviour,
Moon gate, climber,
Turn round, glider
